BROCHURE

COMPANY PROFILE

HARD-WORKING KUBOTA TOOLS TO HELP YOU GET MORE DONE

For more than 50 years, Kubota has stood with the people who shape the land we all live on—the people who take pride in owning it, working it, and building something greater from it. We understand that anything worth doing is worth doing right, and we design every piece of equipment with that belief at its core.

Whether you're maintaining a two-acre yard, managing a 2,000-acre ranch, harvesting hay, overseeing a fleet, or taking on a new project around the farm, Kubota equipment is built to give you the strength, comfort, and confidence to handle what's ahead. Our signature orange machines deliver the performance, reliability, and precision you need—helping you move your world forward one job at a time.

From utility vehicles and mowers to tractors, hay tools, and a full range of construction equipment, our comprehensive lineup is engineered for the people who use what they have to build something better. Every solution is crafted to support real work and real progress—not just for today, but for years and generations to come.

This brochure offers a complete look at our trusted favorites and our newest innovations, all designed to meet your needs on your terms. Because at Kubota, progress isn't just about equipment—it's about empowering you to do the work that matters.

Explore the possibilities and discover how Kubota can help you get more done. For even more ideas and resources, visit KubotaUSA.com.

RTV520

Mighty Capability. Agile Package.

- › Powerful Kubota Liquid-Cooled Efi Engine. The 2-cylinder engine is powerful with quiet and reliable muscle for most jobs. Kubota-built, the durable engine is liquid-cooled to ensure consistent performance throughout the day. Electronic Fuel Injection (EFI) makes starting the engine in cold weather easier and provides instant power with greater throttle control
- › Capable Towing Capacity. The reliable engine delivers capable towing capacity made simple with a standard trailer hitch for greater versatility, and an ability to attach trailers or pull-behind equipment. For those who refuse to compromise, the mighty RTV520 can tackle even the toughest jobs with its 1,168 lbs. towing capacity*
- › Comfortable Seat Design. The stylish matte black and contoured seats have been redesigned to provide better comfort during long rides
- › Narrow Stance. The RTV520's compact dimensions let you maneuver into and out of tight spaces with ease
- › Tight-Turning Radius. With a tight-turning diameter of just 21.7 ft., the RTV520 can work in narrow sites where bigger utility vehicles can't go
- › Metal Cargo Bed. The RTV520 features a metal cargo bed which hold up to loading, unloading and hauling material better than plastic beds - especially if the material is hard or pointed
- › Radiator With Screen. The radiator features a screen to maximize protection of the radiator. A window provides superior accessibility for cleaning and maintenance

RTV520

A

POLY CAB ENCLOSURE

Part No. 77700-11821
RTV520

Poly cab enclosure bundled all together to keep the operator and passenger out of the elements. Includes the following;
Hard Cab Component Mounting Kit (77700-V4310A);
Poly Windshield (77700-V4368);
Plastic Canopy (77700-V4312);
Acrylic Rear Panel (77700-11822);
Plastic Door Kit (77700-11823).

POLY CAB COMPACT MOUNTING KIT

Part No. 77700-V410A
RTV520

Slotted design mounting kit for quicker installation;
Included with Hard Cab Enclosure (77700-11821);
Only one mounting kit required to install the Hard Cab Enclosure (77700-11821) components in any combination.

The following 4 Cab Components are available as part of the 77700-11821, and can also be purchased individually.

B

POLY WINDSHIELD

Part No. 77700-V4368
RTV520

Steel framed hard coated poly windshield featuring 30X more scratch resistance than typical acrylic windshields for longer lasting glare-free optics;
Recommend adding Wiper Kit (77700-V4367);
Requires Hard Cab Component Mounting Kit (77700-V4310A).

C

PLASTIC CANOPY

Part No. 77700-V4312
RTV520

Steel reinforced plastic canopy to keep the operator and passenger out of the elements;
Requires Hard Cab Component Mounting Kit (77700-V4310A).

D

ACRYLIC REAR PANEL

Part No. 77700-11822
RTV520

Steel framed acrylic rear panel to prevent wind, dust, and rain from entering into the operator's area;
Requires Hard Cab Component Mounting Kit (77700-V4310A).

E

PLASTIC DOOR KIT

Part No. 77700-11823
RTV520

Steel reinforced black plastic doors and sliding acrylic side windows;
Requires Hard Cab Component Mounting Kit (77700-V4310A).

WIPER KIT

Part No. 77700-V4367
RTV520

Keep mud, rain, dust, and everyday grime off the front windshield;
Compatible with Poly Windshield (77700-V4368) and (77700-V4365), and Hard Cab Enclosure (77700-11821);
Not compatible with Upper Glass Windshield (K7311-99280).

FRONT HEAVY LOAD STRUT

Part No. K7311-99180
RTV520

Optional for Cab and V4308B Front Blade - not required;
Distributes weight to stabilize loads located at the front of the RTV.

NON MODULAR CAB COMPONENT MOUNTING KIT

Part No. 77700-V4363
RTV520

Required to install Metal Canopy (77700-V4364) or Poly Windshield (77700-V4365).

POLY WINDSHIELD

Part No. 77700-V4365 (V4365)

RTV520

Steel framed hard coated poly windshield featuring 30X more scratch resistance than the typical acrylic windshields;

Superior scratch resistance for longer lasting glare-free optics;

Recommend adding Wiper Kit (77700-V4367);

Requires Non Modular Cab Component; Mounting Kit (77700-V4363).

METAL CANOPY

Part No. 77700-V4364 (V4364)

RTV520

Metal canopy to keep the operator and passenger out of the elements;

Requires Non Modular Cab Component Mounting Kit (77700-V4363).

REAR CARGO SCREEN

Part No. K7311-99590

RTV520

Rear screen mounts directly to the ROPS and prevents objects from entering the operator area from behind;

Comes in black;

Not Compatible with Cab Enclosure (77700-11821) or Acrylic Rear Panel (77700-11822).

A1

UPPER GLASS WINDSHIELD

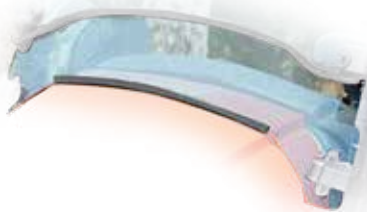

Part No. K7311-99280 (V4316)

RTV520

Upper glass windshield to provide a top front barrier from wind, dust, and rain;

Superior scratch resistance for longer lasting glare-free optics.

B1

LOWER POLY WINDSHIELD

Part No. K7311-99290 (V4315)

RTV520

Lower Poly windshield to provide a lower front barrier from wind, dust, and rain;

Folds up to allow access to the bonnet;

Recommend adding Upper Glass Windshield (K7311-99280) for complete full coverage.

C1

PLASTIC CANOPY

Part No. K7311-99390 (V4321)

RTV520

Plastic canopy to keep the operator and passenger out of the elements;

Plastic Canopy is not compatible with Modular Cab Systems (77700-11821) or Non-Modular Cab Components (77700-V4363).

WARN VRX WINCH KIT (3,500 LB. STEEL CABLE)

Part No. 77700-11552

RTV520

IP68 waterproofing system standard;
Redesigned & improved brake system and clutch system;
Comes with winch remote for operation outside of cabin;
Limited lifetime mechanical & 3 year electrical warranty;
Requires K7311-97313 Winch Mounting Kit for RTV500 & RTV520

BLACK FRONT GRILL GUARD

Part No. K7321-99210

RTV520

With this stylish heavy duty grill guard, you can keep the front of the RTV520 protected while looking great;
The Front Grill Guard comes in a stylish black color;
Standard on all deluxe RTV520 trims.

2" TRAILER HITCH BALL MOUNT

Part No. 77700-V4349

RTV520

SAE Class II approved;
Max Tongue/Towing 350/3500 lbs;
Glass black finish;
Trailer ball not included.

CAB ACCESSORIES

BACKUP BEEPER
Part No. K7321-99640
RTV520

The Backup Beeper creates audible alarm when machine is placed in reverse;
Includes everything you need in order to hook up the Backup Beeper to your RTV520.

SIDE MIRROR
ROPS Part No. 77700-V4358
CAB Part No. 77700-V5059
RTV520

Increases operator visibility;
Shatter resistant tempered convex mirror with an impact-resistant housing;
Sold individually.

ELITE SERIES MIRROR TRIFECTA KIT
Part No. 77700-13836
RTV520

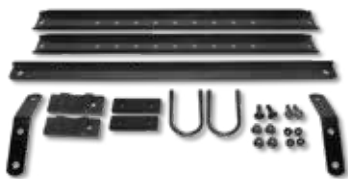

Rechargeable LED dome light;
Provides flexibility with a breakaway design that mounts on both the driver and passenger sides of the RTV;
Includes built-in vibration isolation and 3-way mirror head adjustment.

HEADREST
Part No. K7421-99550
RTV520

Provides head support;
Sold individually;
Requires Headrest Stay Kit (Black - K7311-99580);
Comes in black.

N

HEADREST STAY KIT
Part No. K7311-99580
RTV520

Sold individually;
Required to install Headrest (K7421-99550);
Comes in black.

SPEEDOMETER
Part No. K7311-99650
RTV520

Displays speeds up to 30 mph (50 km/h);
The Speedometer is sold individually.

ELITE SERIES UTV GRAB HANDLE
Part No. 77700-13834
RTV520

N

Built with high-grade, tough nylon for maximum durability;
Has a comfortable design for secure and ergonomic handling;
Fold-away feature: Allows for flush mounting with the roof when not in use.

60" FRONT BLADE

Part No. V4308B
RTV520

60" wide (straight) snow blade with trip spring;
52" plow width @ 30° max angle;
Electric lift with manual angle adjustment;
Includes adjustable skid shoes and dedicated hitch;
Not compatible with 2" Trailer Hitch
Ball Mount (77700-V4349);
Now compatible with the Electric Angle Kit (V4303).

FRONT ACCESSORY BOX

Part No. K7321-99560
RTV520

Mounts under the hood to hold small items securely;
Not Compatible with Cab Heater Kit.

GLOVE BOX KIT

Part No. K7321-99570
RTV520

Increase your storage space for small items;
Mounts under dash on driver's side;
Not compatible with Cab Heater Kit.

CARGO BOX MAT

Part No. K7211-99200
RTV520

Durable, polyurethane cargo box pad designed to protect all types of cargo;
The Cargo Box Mat is sold individually.

ELECTRIC ANGLE KIT

Part No. V4303
RTV520

Converts a manual angle blade to an electric angle blade making snow removal even easier.

CUTTING EDGE

Standard Part No. V4305
Heavy Duty Part No. V4306
RTV520

Standard Cutting Edge is a replacement for the 60" Front Blade;
Upgraded cutting edge constructed of heavy duty mild carbon steel;
Cutting edge is reversible for extended wear;
Requires 60" Front Blade.

HEATER KIT

Part No. 77700-V4314
RTV520

3 vents;
2-speed Lo/High fan settings;
20,000 BTU capacity;
Utilizes engine coolant to heat the cab;
Not compatible with Front Accessory Box or Glove Box.

SNOW DEFLECTOR

Part No. V4307
RTV520

Rubber deflector mounted to the top of the 60" Front Blade to reduce the throw of snow and debris from the front blade;
Requires 60" Front Blade.

TIRES & WHEELS

HDWS STEEL TIRE & WHEEL ASSEMBLY

Front Part No. K7321-19310

Rear Part No. K7321-19410

RTV520

Includes 1 OEM tire and steel wheel;
Front Assembly Measurements - 24 × 9 - 12
6-ply tire;
Rear Assembly Measurements - 24 × 11 - 12
6-ply tire;
HDWS tread design are
non-directional.

HDWS ALLOY TIRE & WHEEL ASSEMBLY

Front Part No. K7321-99800

Rear Part No. K7321-99810

RTV520

Includes 1 OEM tire and alloy wheel;
Front Assembly Measurements - 24 × 9 - 12
6-ply tire;
Rear Assembly Measurements - 24 × 11 - 12
6-ply tire;
HDWS tread design are
non-directional.

ATV ALLOY FRONT TIRE & WHEEL ASSEMBLY

Left Part No. K7321-99850

Right Part No. K7321-99860

RTV520

Includes 1 OEM tire and alloy wheel;
Front Assembly - 24 × 9 - 12
6-ply tire;
ATV tread design are
directional (left or right)

ATV ALLOY REAR TIRE & WHEEL ASSEMBLY

Left Part No. K7321-99870

Right Part No. K7321-99880

RTV520

Includes 1 OEM tire and alloy wheel;
Rear Assembly - 24 × 11 - 12
6-ply tire;
ATV tread design are
directional (left or right)

ATV STEEL FRONT TIRE & WHEEL ASSEMBLY

Left Part No. K7321-19110

Right Part No. K7321-19160

RTV520

Includes 1 OEM tire and steel wheel;
Front Assembly - 24 × 9 - 12
6-ply tire;
ATV tread design are
directional (left or right)

ATV STEEL REAR TIRE & WHEEL ASSEMBLY

Left Part No. K7321-19210

Right Part No. K7321-19260

RTV520

Includes 1 OEM tire and alloy wheel;
Rear Assembly - 24 × 11 - 12
6-ply tire;
ATV tread design are
directional (left or right)

STROBE LIGHT KIT

Part No. 77700-V4318

RTV520

Strobe light with rubber base and polycarbonate lens;
On/off toggle switch included;
Not compatible with Plastic Canopy (K7311-99390);
Requires Plastic Canopy (77700-V4312) or Hard Cab
Enclosure (77700-11821).

TURN SIGNAL / HAZARD LIGHT KIT

Part No. K7321-99610

RTV520

Turn Signal/Hazard Light Kit includes two front
hazard/indicator lamps and two rear combination
hazard/indicator/tail lamp assemblies;
This kit is not compatible with Poly Windshield
(77700-V4365), Poly Windshield (77700-V4368), or
Hard Cab Enclosure (77700-11821).

LED WORK LIGHT KITS

Front (2) Part No. 77700-11933

Rear (1) Part No. 77700-11934

RTV520

Six high intensity LEDs;
Ideal for off-road driving only;
Measured lumen: 1,000 lm;
Multivolt 10-30V DC;
Mounting: upright or flush;
Front Dimensions: 1.8" W x 6.3" H x 2.5" D;
Rear Dimensions: 2.4" W x 7.7" H x 1.8" D.

SIDEKICK®

Shown with optional accessories

The gas-powered, large chassis Sidekick is where durability meets speed.

- › The Sidekick® is built upon the robust, heavy-duty platform to provide proven durability and performance
- › Electronic Fuel Injection (EFI) and a powerful 54 HP** gasoline, water-cooled engine provide plenty of torque, astonishingly quick acceleration, and high transport speed (up to 40 mph)
- › Idle Speed Control (ISC) ensures stable power
- › The Continuously Variable Transmission with centrifugal clutch (CVT-Plus) provides fast acceleration, smooth operation, and controlled braking with engine-assisted deceleration
- › The cogged belt on the CVT-Plus is kept tight for minimal slippage and excellent durability, fully shielded to help keep out dust and water, and cooled with a large fan for even greater longevity
- › Kubota Sidekick's® standard 45A Electronic Power Steering (EPS) delivers light steering at low speeds and firm control at high speeds. Designed for stability and precision, EPS adapts to heavy cabin loads, cargo, or snow blade attachments—ensuring confident handling and protection against oversteering at any speed. Even when fully loaded, the Sidekick won't bottom out—front and rear adjustable independent suspension delivers a smooth ride with plenty of clearance
- › The aggressive style is offered in five distinct colors, including the special edition Stone Gray Model, which comes with alloy wheels, spray-on bed liner, and a visually distinct design and graphics to signify being "ready for anything"

SIDEKICK

POLY WINDSHIELD

Part No. 77700-VP0804A

Fixed hard coated poly windshield to provide a front barrier from wind, dust, and rain;

Includes 4 quick clamps preinstalled for a quick and easy install.

POLY FLIP WINDSHIELD

Part No. 77700-VP0805A

Flip hard coated poly windshield to provide a front barrier from wind, dust, and rain;

Includes 4 quick clamps preinstalled for a quick and easy install.

GLASS WINDSHIELD

Part No. 77700-VP0802

Fixed laminated glass windshield to provide a front barrier from wind, dust, and rain;

Includes 4 quick clamps preinstalled for a quick and easy install;

Recommend adding Wiper Kit and Washer Kit.

PREMIUM ROOF

Part No. 77700-VP0801A

Twin sheet vacuum formed black plastic roof with plug & play connections for electrical accessories and the Premium Audio System;

Keep the operator and passenger out of the elements.

PREMIUM AUDIO SYSTEM

Part No. 77700-VP0897

Custom fit for Premium Roof sold separately;

Includes Jensen AM/FM/WB/USB Mini Bluetooth® Stereo;

Not compatible with the Sport Roof;

Requires Accessory Wiring Harness.

SPORT ROOF

Part No. 77700-VP0800A

Single sheet vacuum formed black plastic roof;

Keep the operator and passenger out of the elements.

SPORT ROOF SEAL PANEL KIT

Part No. 77700-VP807

Not compatible with Premium Roof;

Required when using Heater Kit.

Premium Roof

Premium Audio System

Sport Roof

Sport Roof Seal Panel Kit

Poly Windshield

Poly Flip Windshield

Glass Windshield

WIPER KIT

Part No. 77700-VP0817

Sidekick

Includes a single wiper to keep the glass windshield clear from dust and rain;

Compatible only with Glass Windshield;

Requires Accessory Wiring Harness.

WASHER KIT

Part No. 77700-VP0818

Sidekick

Upgrade the wiper kit with a washer kit to help keep the glass windshield clear;

Compatible only with Glass Windshield;

Requires Wiper Kit and Accessory Wiring Harness.

"VP" part numbers only compatible with VP cab components unless otherwise noted.

ANTENNA

Part No. K7711-63160

Optional antenna for the Premium Audio System for AM/FM.

POLY REAR PANEL

Part No. K7711-63160

Poly rear panel to prevent wind, dust, and rain from entering into the operator's area;
Features a louver vent to allow airflow through the cabin.

GLASS REAR PANEL

Part No. 77700-VP0803

Glass rear panel to prevent wind, dust, and rain from entering into the operator's area.

SIDE MIRROR KIT

CAB Part No. 77700-VP0815
ROPS Part No. 77700-V4358

Increases operator visibility;
Cab mirrors sold in a pair (left & right);
ROPS mirror sold individually.

UNDERHOOD SEAL KIT

Part No. 77700-VP0808

Required when using Heater Kit to create a fully sealed cab.

HEATER KIT

Part No. 77700-V5247

Add an integrated heater with an in-dash adjustable temperature;
Requires an Underhood Seal Kit for a fully sealed cab;
Requires a Sport Roof Seal Panel Kit when used with a Sport Roof.

2" ROPS QUICK CLAMP

Part No. 77700-VP0819A

Quick and easy ROPS clamp to attach an assortment of RTV accessories;
Sold individually.

DOOR INSERT KITS

Orange Part No. 77700-VP0820
Camo Part No. 77700-VP0821
Green Part No. 77700-VP0822
Black Part No. 77700-VP0823

Add matching accent door panels to match the body color of the hood and rear cargo bed panels.

Poly Rear Panel

Glass Rear Panel

Door Insert Kits

DOOR SET

Part No. 77700-VP0810A

Rear hinged thermoformed doors with steel frame for increased rigidity;
Large roll down glass windows;
Features a storage pocket with an integrated bottle holder;
Requires Front Heavy Duty Strut Kit when installing an enclosed cab or front implement.

Door Set

Switches for the lighting accessories below are included with their respective mounting kit.

6" LED WORKLIGHT
Part No. 77700-VP0892
Sidekick

Equipped with 6 LEDs and produces 1,000 lumens;
Quick connector for easy install;
Sold individually;
Requires Front or Rear Worklight Mounting Kit;
Requires Sport Roof Worklight support;
Two 2" ROPS Quick Clamps required for dual ROPS install.

13.5" LED LIGHT BAR
Part No. 77700-VP0891
Sidekick

Features a low and high setting equipped with 12 LEDs capable of producing 2,200 lumens (High setting);
Requires Light Bar Mounting Kit;
Requires two 2" ROPS Quick Clamps when installed onto the ROPS.

ROTATING BEACON
Part No. 77700-08687
Sidekick

Features a magnetic base;
195 flashes per minute;
Requires Strobe Mounting Kit and Accessory Wiring Harness;
Requires one 2" ROPS Quick Clamps when installed onto the ROPS.

STROBE LIGHT
Part No. 77700-08686
Sidekick

LED strobe light features a magnetic base;
70 flashes per minute;
11 flash patterns;
Requires Strobe Mounting Kit and Accessory Wiring Harness;
Requires one 2" ROPS Quick Clamps when installed onto the ROPS.

Powering any of the 4 lights above will require a switch panel and accessory wiring harness. Add a ROPS wiring harness to add plug & play connections to a ROPS or Sport Roof configuration.

SWITCH PANEL
Part No. 77700-10732
Sidekick

Centralized accessory switches into one convenient location
Required for 13.5" LED Light Bar, 6" LED Worklights, Strobe Light or Rotating Beacon, Wiper Kit, and Washer Kit.

ROPS WIRING HARNESS
Part No. 77700-V0882
Sidekick

Includes plug & play connections for 13.5" LED Light Bar (77700-VP0891) and two front 6" LED Worklights (77700-VP0892);
Requires Accessory Wiring Harness (77700-V0881A).

ACCESSORY WIRING HARNESS
Part No. 77700-V0881A
Sidekick

Main harness to provide power to the Premium Roof or ROPS;
Wiring Harness Includes plug & play connections for a rear 6" LED;
Worklight, Strobe Light or Rotating Beacon, Wiper Kit, and Washer Kit;

Need more lights? Check out these additional lighting kits, which include everything necessary to light the way to cross over to more.

LED HEADLIGHT

Part No. K7811-99680

Sidekick

Add an optional 2nd set LED headlight to give the machine that unique quad LED look;
Support both "bright" and "dim" which are controlled using the standard headlamp switch.

FRONT WORKLIGHT KIT

Part No. K7811-99650

Sidekick

Add optional front worklights to the Sidekick front guard;
Sold in a pair (left & right);
Requires Sidekick Front Guard (K7811-97200).

REVERSE ALARM

Part No. K7811-99640

Sidekick

Alert the surrounding people when operating the machine in reverse.
Includes one reverse alarm and mounting hardware for easy installation.

TURN SIGNAL / HAZARD LIGHT KIT

Part No. K7811-99610

Sidekick

Enhance visibility and safety with this light kit which includes two front hazard/indicator lamps, two rear combination hazard/indicator/tail lamp assemblies, mounting hardware, switches and wiring harness that are required for easy installation.

INTERIOR REARVIEW MIRROR
Part No. 77700-VP0892
Sidekick

Convex wide mirror and mounts to the ROPS;
Easy to install on a ROPS or Cab.

HEADREST
Part No. K7811-99550
Sidekick

Provides extra head support with a stylish design;
Sold individually;
Requires Headrest Stay Kit.

SOFT GRIP HANDLE
Part No. 77700-V0834
Sidekick

Steel handle wrapped with a rubber grip;
Kubota branded heavy duty velcro strap;
Easy to install and remove.

HEADREST STAY KIT
Part No. K7591-99540
Sidekick

Sold individually;
Required to install Headrest.

PREMIUM SIDE MIRROR
Part No. 77700-10706
Sidekick

Enhanced field of view;
Dual axis breakaway;
Three-way adjustment;
Adjustable blindspot mirror;
Anti-vibration technology;
ROPS mounted on either side;
Easily return mirror to your preset position each time.

PREMIUM ROOF RADIO & SPEAKER KIT
Part No. 77700-VP0897
Sidekick

Custom fit for RTV Premium Roof, roof sold separately;
Audio systems offers AM/FM/USB/AUX inputs;
Includes two speakers;
Not compatible with Sport Roof;
Requires Acc. Wiring Harness;
AM/FM/WB/USB Mini Bluetooth® Stereo.

ELITE SERIES MIRROR TRIFECTA KIT
Part No. 77700-13836
Sidekick

Rechargeable LED dome light;
Provides flexibility with a breakaway design that mounts on both the driver and passenger sides of the RTV;
Includes built-in vibration isolation and 3-way mirror head adjustment.

ELITE SERIES UTV GRAB HANDLE
Part No. 77700-13834
Sidekick

Built with high-grade, tough nylon for maximum durability;
Has a comfortable design for secure and ergonomic handling;
Fold-away feature: Allows for flush mounting with the roof when not in use.

WARN VRX WINCHES

3,500 lb. Part No. 77700-11552

4,500 lb. Part No. 77700-11554

Sidekick

- IP68 waterproofing system;
- Redesigned & improved braking system;
- Manual clutch for improved durability & sealing;
- The 3,500 lb. comes in a steel cable while the 4,500 lb. comes in a synthetic rope;
- Limited lifetime mechanical & 3 year electrical warranty;
- Dash-mounted switch and remote;
- Fits 2-seater units only.

WARN AXON WINCHES

3,500 lb. Part No. 77700-11556

4,500 lb. Part No. 77700-11558

Sidekick

- IP68 waterproofing system;
- Redesigned & improved braking system;
- Manual clutch for improved durability & sealing;
- The 3,500 lb. comes in a steel cable while the 4,500 lb. comes in a synthetic rope;
- Limited lifetime mechanical & 3 year electrical warranty;
- Dash-mounted switch and remote;
- Fits 2-seater units only.

ELECTRIC OVER HYDRAULIC BED LIFT

Part No. K7811-99670

Sidekick

- Convert a manual bed lift to an electric over hydraulic bed lift;
- Increase your productivity and upgrade to our electric over hydraulic bed lift. This kit includes one electric hydraulic actuator, mounting hardware and necessary switches for installation.

GUARDS

REAR BUMPER
Part No. K7811-99250
Sidekick

Upgrade the visual appearance while guarding the cargo bed; Includes Tail Lamp Guards.

SIDEKICK FRONT GUARD
Part No. K7811-97200
Sidekick

Replacement RTV-XG850 Sidekick front guard; Standard on all models except for the general purpose model; Additional parts required: hardware not included.

PLASTIC BUMPER
Part No. K7811-99220
Sidekick

Upgrade the visual appearance of the front bumper with this plastic bumper.

TAIL LAMP GUARD
Part No. K7811-99660
Sidekick

Upgrade the visual appearance while protecting the tail lamps; Sold in a pair (left & right).

FRONT UNDER GUARD
Part No. K7811-99240
Sidekick

Upgrade the visual appearance while guarding the front underside.

A-ARM GUARD
Front Part No. K7811-99150
Rear Part No. K7811-99160
Sidekick

Metal guards to guard against debris; Sold in a pair (left & right).

BUSH GUARD
Part No. K7811-99230
Sidekick

Upgrade the visual appearance while guarding the front.

MUD GUARD
Front Part No. K7591-99520
Rear Part No. K7811-99510
Sidekick

Add a visual appeal while guarding against debris and mud; Sold in a pair (left & right).

CARGO / STORAGE

DELUXE RTV CARGO BOX
Part No. 77700-08760
Sidekick

RTV Bed Box, 4.5 cu. ft. locking storage designed by Kubota engineers;
Easy lift covers gives access to both sides;
Removable, sliding tool trays;
Requires four KAS Clamps and one Mounting Bracket (ordered separately);

BED EXTENDER
Part No. K7811-99570
Sidekick

Drill-less design and can be positioned along the length of the cargo bed;
Can be positioned to extend or divide the cargo bed capacity.

CARGO CLAMP
Part No. K7811-99560
Sidekick

Drill-less cargo bed clamp with interchangeable rubber inserts;
Sold in a pair.

CARGO BED RAIL
Part No. K7811-99590
Sidekick

Increase cargo bed capacity;
Sold in a pair (left & right);
Not compatible with Deluxe RTV Cargo Box.

RTV RUBBER CARGO BED MAT
Part No. 77700-V0830
Sidekick

Rubber compression molded rubber with integrated Kubota branding;
Protects the cargo bed from scratches and scuff marks;
Prevent objects from sliding around the cargo bed.

RACK OVER HOOD
Part No. 77700-V0831
Sidekick

Mounts to the front guard to add storage over the front hood;
Designed to be removed quickly without tools;
Can be pivoted to access the components under the front hood;
Not compatible with Plastic Bumper.

72" GENERAL DUTY FRONT BLADE

Part No. V5008

Sidekick

72" wide general purpose snow blade with 19" moldboard height and 12 gauge moldboard thickness;
64.5" plow width @ 30° max angle;
Electric lift with manual angle adjustment;
Requires Front Heavy Duty Strut Kit and General Purpose Front Guard (Black – K7591-97900).

TIRES & WHEELS

GREEN TIRE & ALLOY WHEEL ASSEMBLY

ATV Left Part No. K7811-99850

ATV Right Part No. K7811-99860

HDWS Part No. K7811-99800

Sidekick

Includes 1 OEM tire and alloy wheel, 25×10-12 6-ply tire;
ATV tread design are directional (left or right);
HDWS tread design are non-directional;
Requires Alloy Wheel Hardware Kit
(black - K7591-99140) or (silver - K7591-99170)

BLACK TIRE & ALLOY WHEEL ASSEMBLY

ATV Left Part No. K7591-99850 (ARTV5212L)

ATV Right Part No. K7591-99860 (ARTV5212R)

HDWS Part No. K7591-99800 (ARTV5214)

Sidekick

Includes 1 OEM tire and alloy wheel, 25×10-12 6-ply tire;
ATV tread design are directional (left or right);
HDWS tread design are non-directional;
Requires Alloy Wheel Hardware Kit
(black - K7591-99140) or (silver - K7591-99170)

SILVER TIRE & ALLOY WHEEL ASSEMBLY

ATV Left Part No. K7591-99830 (ARTV5211L)

ATV Right Part No. K7591-99840 (ARTV5211R)

HDWS Part No. K7591-99790 (ARTV5213)

Sidekick

Includes 1 OEM tire and alloy wheel, 25×10-12 6-ply tire;
ATV tread design are directional (left or right);
HDWS tread design are non-directional;
Requires Alloy Wheel Hardware Kit
(black - K7591-99140) or (silver - K7591-99170)

HDWS TIRE & WHEEL ASSEMBLY

Part No. K7811-19410

Sidekick

Includes 1 OEM tire and steel wheel;
25×10-12 6 ply tire;
HDWS tread design are non-directional.

ATV TIRE & WHEEL ASSEMBLY

Left Part No. K7811-19210

Right Part No. K7811-19260

Sidekick

Includes 1 OEM tire and steel wheel;
25×10-12 6 ply tire;
ATV tread design are directional (left or right).

Whether you're hauling half a ton of cargo on the job site or feeding livestock out in the pastures, the smooth-riding, hard-charging RTV-X gets it done.

- › VHT-X (Variable Hydraulic Transmission): Kubota's VHT-X provides exceptional performance on various terrains with smooth and powerful acceleration. Low-speed driving is made exceptional through smooth throttle control, great traction, and maneuverability with or without loads
- › Dynamic Brakes: One of the major benefits of the VHT-X is the dynamic braking, which slows the vehicle down when you remove your foot from the throttle. It also provides drivers a sense of confidence as they travel down slopes. The ability to utilize one pedal operation creates a great experience for both novice and experienced drivers alike by providing a heightened sense of security
- › Towing Capacity: Standard two-inch hitch receivers are located at the front and back. The back receiver lets you tow up to 1,300 lbs.* of gear. (*See owner's manual for detail.)
- › ProKonvert™ Cargo Bed Optional: When you have a job to get done, being able to easily load and unload the cargo bed is critical. The innovative bed design allows you to open from either side or the rear—especially useful for easily loading items in the back of the bed

Experience luxurious driving comfort with the factory-installed, climate-controlled cab.

- › RTV-X CAB features a premium grand cab that is built around a unibody chassis frame. The quiet, rattle-free environment and standard, factory installed A/C, heat, and defrost ensure that you'll ride in comfort year round
- › The RTV-X CAB boasts 23.3-horsepower** Kubota diesel engine for demanding jobs that require plenty of power
- › 1,300 lbs. towing capacity* with standard front and rear two-inch hitch receivers at the front and back
- › Up to 15.2 cubic feet of cargo— heavy-duty steel cargo box can carry up to a half-ton (1,102 lbs.) of tools, firewood, gear, supplies, and whatever you need to haul from here to there and back again
- › Front PTO attachment options take your RTV-X CAB to a higher level of versatility and performance
- › LED Headlights: For the jobs that begin well before the sun rises and continue on long after the sun sets, the LED headlights not only look cool, but also illuminate the way so you can stay focused on the job at hand
- › Front and rear independent suspension ensures an exceptional ride, and extra duty IRS (Independent Rear Suspension) sets a standard for durability
- › ProKonvert™ Cargo Bed Optional: When you have a job to get done, being able to easily load and unload the cargo bed is critical. The innovative bed design allows you to open from either side or the rear— especially useful for easily loading items in the back of the bed
- › Flatbed Conversion: Customers can easily convert the cargo bed into a flatbed without the use of any tools. Loading bulky or awkwardly shaped materials or equipment has never been easier—capability, reimagined
- › VHT-X (Variable Hydraulic Transmission): Kubota's VHT-X provides exceptional performance on various terrains with smooth and powerful acceleration. Low-speed driving is made exceptional through smooth throttle control, great traction, and maneuverability with or without loads

From spacious cargo capacity to generous seating for up to four adults, this utility workhorse gives you the best possible performance and comfort across a wide range of jobs.

- › K-vertible Cargo Transformation System: two- and four-passenger configuration in less than a minute
- › Powerful Kubota 3-cylinder, liquid-cooled, 4-cycle, 23.3-horsepower** diesel engine
- › Exclusive Kubota 2-range VHT-X (Variable Hydraulic Transmission)
- › Top speed of 25 mph and 1,300 lbs. towing capacity*
- › Quick, responsive hydrostatic power steering
- › LED Headlights - For the jobs that begin well before the sun rises and continue on long after the sun sets, the LED headlights not only look cool, but also illuminate the way so you can stay focused on the job at hand
- › ROPS meets both OSHA and SAE requirements for both front and back row seats, meeting many job site requirements and allows you to load and dump the cargo bed in both the one-row and two-row configuration
- › Radiator and air-intake located high and up front, where the air is cleaner and cooler. This helps radiator performance and simplifies maintenance
- › Wet disc brakes for smooth, consistent braking and excellent durability
- › Independent front and rear suspensions, and a long wheelbase deliver a smooth, stable ride
- › Standard 19.1 cu. ft./9.9 cu. ft. (two-seat/four-seat configurations) cargo bed with hydraulic lift capability in either configuration (up to 1,102 lbs. capacity)

The RTV-X LONG BED delivers the capability, power, and performance needed to get the job done right.

- Full Steel Frame/CV Joint Guards: The high-rigidity steel frame helps isolate the occupants from noise and vibration. The structural strength of this frame can hold up to many different tasks and seasons, to help you power your productivity
- VHT-X (Variable Hydraulic Transmission): Kubota's revised VHT-X delivers smooth, powerful acceleration and outstanding performance across varied terrains. Exceptional low-speed control, traction, and maneuverability—whether loaded or unloaded—make it ideal for demanding tasks
- Wet Disc Brakes: The RTV-X LONG BED uses multi-disc wet brakes which provide excellent brake life. You'll also feel more secure, especially when traveling down long inclines, knowing that dynamic braking is helping to provide additional braking power and greater driving control
- Standard Prokonvert™ Cargo Bed: It's not enough to get you there and back—you need to get your stuff there and back as well. This heavy-duty 6 ft. steel cargo bed can do that for you, carrying more than a half-ton (1212 lbs.) of tools, materials, gear, supplies—so you can be ready for what the day may bring
- Standard Hydraulic Dump Bed: Unload sand, gravel, turf, and more with ease using the RTV-X LONG BED'S impressive 26.1 cu. ft. cargo capacity. The powerful hydraulic system makes dumping cargo quick and easy, so you can move on to what is next

RTV-X SERIES

POLY WINDSHIELD
Part No. 77700-VC5023
*RTV-X, X900, X1120,
X1130, X CREW*

Steel framed, hard coated poly windshield to provide a front barrier from wind, dust, and rain;
Features latches to allow airflow through the cabin;
Compatible with Wiper Kit.

LAMINATED GLASS WINDSHIELD (AS1)
Part No. 77700-VC5020
*RTV-X, X900, X1120,
X1130, X CREW*

Steel framed, laminated glass windshield to provide a front barrier from wind, dust, and rain;
Designed to hold together when shattered - not into large pieces;
Features latches to allow airflow through the cabin;
Compatible with Wiper Kit.

TEMPERED GLASS WINDSHIELD (AS2)
Part No. 77700-VC5025
*RTV-X, X900, X1130, X
CREW*

Steel framed, tempered glass windshield to provide a front barrier from wind, dust, and rain;
Designed to crumble into small granular chunks instead of sharp jagged shards;
Features latches to allow airflow through the cabin;
Compatible with Wiper Kit.

WIPER KIT
Part No. 77700-VC5030
*RTV-X, X900, X1120,
X1130, X CREW*

Includes a single 16" wiper to keep glass & poly windshields clear from dust and rain;
Compatible only with Poly Windshield, Laminated Glass Windshield, & Tempered Glass Windshield.

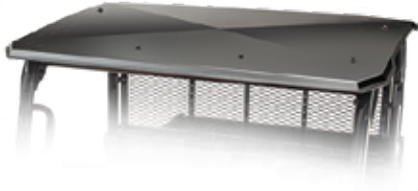

POLY WINDSHIELD
Clear Part No.
K7591-99290
Tinted Part No.
K7591-99260
RTV-X, X900, X1120

Alternative, crack-resistant poly windshield for a windshield & canopy configuration only;
Not compatible with Wiper Kit (77700-VC5030);
Compatible only with Plastic Canopy.

ACRYLIC WINDSHIELD
Clear Part No.
77700-V5027
Tinted Part No.
77700-V5028
*RTV-X, X900, X1120,
X1130, X CREW*

Alternative, crack-resistant poly windshield for a windshield & canopy configuration only;
Not compatible with Plastic Canopy & Wiper Kit.

METAL FOPS CANOPY

Black Part No. 77700-VC5000
Black (X CREW Only) Part No. 77700-VC5044
Orange Part No. 77700-VC5001
RTV-X, X900, X1120, X1130

Metal canopies are FOPS certified to provide additional protection while keeping the operator and passenger out of the elements;
Not compatible with Poly Windshield (Clear – K7591-99290) or (Tinted – K7591-99260).

PLASTIC CANOPY

Black Part No. 77700-VC5011
Black (X CREW Only) Part No. 77700-VC5043
RTV-X, X900, X1120, X1130

Plastic canopy to keep the operator and passenger out of the elements;
Not compatible with Poly Windshield (Clear – K7591-99290) or (Tinted – K7591-99260).

BLACK PLASTIC CANOPY

Part No. K7591-99390
RTV-X, X900, X1120, X1130

Alternative plastic canopy for those who want a windshield and canopy configuration only;
Compatible only with Poly Windshield (Clear – K7591-99290) or (Tinted – K7591-99260).

GLASS REAR PANEL

Part No. 77700-VC5040
RTV-X, X900, X1120, X1130

Steel framed, glass rear panel to prevent wind, dust, and rain from entering into the operator's area.

REAR SCREEN

Gray Part No. K7711-99280
Black Part No. K7731-99280
X CAB

Optional rear screen mounts to the X CAB's ROPS structure acting as a barrier between the bed and rear window.

METAL DOOR SET

Black Part No. 77700-VC5090
Orange Part No. 77700-VC5091
RTV-X, X900, X1120, X1130

Steel doors with upper sliding window and a pocket window;
Heavy duty hinges allow for doors to be removed and stored;
Requires Front Heavy Duty Strut Kit or Front Heavy Duty Spring Kit.

VINYL DOOR SET

Part No. 77700-VC5095
RTV-X, X900, X1120, X1130

Includes clear vinyl windows that can be zipped and rolled up;
Heavy duty hinges allow for doors to be removed and stored;
Requires Front Heavy Duty Strut Kit or Front Heavy Duty Spring Kit.

4 METAL DOOR SET WITH REAR PANEL

Part No. 77700-VC5045A
X CREW

4 steel doors with upper sliding window and pocket window;
Has a rear panel to fully enclose in a two row configuration when combined with a compatible canopy and windshield;
Heavy duty hinges allow for doors to be removed and stored.

MID-PANEL

Steel Part No. 77700-VC5046
Vinyl Part No. 77700-VC5047
X CREW

Add optional mid-panel to completely enclose the front row;
Steel option includes a sliding window;
Requires 4 Metal Door Set with Rear Panel.

HEATER KIT

Part No. 77700-VC5083A
RTV-X, X900, X1120, X1130, X CREW

Add a cab heater with vents to stay warm during cold winters;
Requires Wire Harness (Multiple – 77700-VC5080) or (Single – 77700-VC5081).

FRONT HEAVY DUTY SPRING KIT

Part No. K7591-99190
RTV-X, X900, X1120, X CAB & X CREW Standard

Reuse the front struts and upgrade the front springs to heavy duty springs;
Required with an enclosed cab and/or front implement.

CAB

SIDE MIRROR KIT

CAB Part No.
77700-VC5076
ROPS Part No.
77700-V4358
*RTV-X, X900, X1120,
X1130, X CREW*

Increases operator visibility;
Cab mirrors sold in a pair
(left & right);
ROPS mirror sold individually.

ROPS

PREMIUM SIDE MIRROR

Part No. 77700-10706
*RTV-X, X900, X1120,
X1130, X CREW*

Enhanced field of view with dual
axis breakaway;
Three-way adjustment, including
blindspot mirror;
Anti-vibration technology;
ROPS mounted and fits left or
right side;
Easily return mirror to a preset
position if it breaks away.

SIDE MIRROR

Part No. 77700-V5059
X CAB

Shatter resistant tempered
convex glass for increased
durability;
Impact resistant ABS housing for
lasting durability;
Ball socket joint provides easy
adjustment and wide range view;
Sold individually.

ELITE SERIES MIRROR TRIFECTA KIT

Part No. 77700-13836
RTV-X, X1130, X CREW

Rechargeable LED dome light;
Provides flexibility with a
breakaway design that mounts
on both the driver and passenger
sides of the RTV;
Includes built-in vibration
isolation and 3-way mirror head
adjustment.

INTERIOR REARVIEW MIRROR

Part No. 77700-V4266
*RTV-X, X900, X1120,
X1130, X CREW*

Mount an interior rearview
mirror onto the ROPS for added
visibility.

INTERIOR REARVIEW MIRROR

Part No. 77700-VP0816
*RTV-X, X900, X1120,
X1130, X CREW*

Convex wide mirror and mounts
to the ROPS;
Easy to install on a ROPS or Cab.

SUN VISOR KIT

Part No. K7731-99270
X CAB

Match the interior of the X CAB with sun visors to block the sun; Sold in a pair (left & right).

GLOVE BOX COVER KIT

Part No. K7591-99570
Basic RTV-X, X900, X1120, X1130, X CREW

Upgrade to a covered glove box to keep items away from the elements.

HEADREST

Gray Part No. K7501-99550
Black Part No. K7421-99550
RTV-X, X900, X CAB

Black comes in X1120 only; Sold individually; Requires Headrest Stay Kit (Gray – K7591-99530) or (Black – K7591-99540).

HEADREST STAY KIT

Gray Part No. K7591-99530
Black Part No. K7591-99540
RTV-X, X900, X1120, X1130

Required to install headrest (Gray – K7501-99550) or (Black – K7421-99550); Sold individually.

BACKUP ALARM KIT

Part No. K7591-99640
RTV-X, X900, X CAB, X1120, X1130, X CREW

Alert the surrounding people when operating in reverse;

HAND THROTTLE KIT

D902 Part No. K7591-99450
D1105 Part No. K7421-99450
RTV-X, X CAB, X1120

Hold engine speed at a constant RPM regardless of vehicle speed; Made for either D902 engine or the D1105 engine; The D902 fits only the X900.

SHORT DIN RADIO
Part No. 77700-13485
X CAB

180 watts max power (45W x 4)
100 watts RMS (25W x 4);
Bluetooth® streaming audio, AM/
FM with 30 presets, and
hands-free calling;
Water and UV resistant;
USB port for device charging;
Toggle switch between day and
night display.

HD SHORT DIN RADIO
Part No. 77700-13484
X CAB

HD Short Din Radio USB/AM/FM/
WX/BT/PA;
Bluetooth® streaming audio only;
Water and UV resistant front
panel (IPX5);
WB/AM/FM tuner with 30 presets;
Rear USB port for device
charging;
2-wire power with non-volatile
memory and clock support;
Includes KUB1 9-Pin Adapter

ELITE SERIES UTV GRAB HANDLE
Part No. 77700-13834
RTV-X, X1130, X CREW

N

Built with high-grade, tough nylon for maximum durability;
Has a comfortable design for secure and ergonomic handling;
Fold-away feature: Allows for flush mounting with the roof
when not in use.

WARN WINCHES

RTV-X, X900, X CAB, X1120

SIZE	PART NO.
VRX 3,500	77700-11552
VRX 4,500	77700-11554
AXON 3,500	77700-11556
AXON 4,500	77700-11558

IP68 waterproofing system;
Redesigned & improved braking system;
Manual clutch for improved durability & sealing;
The 3,500 lb. comes in a steel cable while the 4,500 lb. comes in a synthetic rope;
Limited lifetime mechanical & 3 year electrical warranty;
Dash-mounted switch and remote.

WARN WINCHES

X1130, X CREW

SIZE	PART NO.
VRX 3,500	77700-11553
VRX 4,500	77700-11555
AXON 3,500	77700-11557
AXON 4,500	77700-11559

IP68 waterproofing system;
Redesigned & improved braking system;
Manual clutch for improved durability & sealing;
The 3,500 lb. comes in a steel cable while the 4,500 lb. comes in a synthetic rope;
Limited lifetime mechanical & 3 year electrical warranty;
Dash-mounted switch and remote.

HYDRAULIC BED LIFT

Part No. K7591-99320
RTV-X, X900 (Worksite & Camo), X1120 (Worksite & Camo), X CAB, X CREW

A hydraulic dump bed enables swift and effortless unloading of materials with just a simple lever, significantly cutting down on time and minimizing the physical strain associated with manual unloading.

2" TRAILER HITCH BALL MOUNT

Part No. 77700-V5200
RTV-X, X900, X1120, X CAB, X CREW

Towing is easy with this 2" Trailer Ball Mount Kit (does not include hitch ball);
2" Trailer Ball Mount Kit crafted from high-grade steel, providing exceptional strength and durability for UTV use

WARN BUMP STOPS

Black Part No. 77700-13832
Orange Part No. 77700-13833

N

Winch, rope, hook, and fairlead have an extended longevity;
Bump stops are designed for winch ropes that are 1/4 inch or smaller, making them perfectly suited for winches such as the WARN AXON or VRX, which are compatible with Kubota RTVs.

GUARDS

BASIC FRONT GUARD
 Gray Part No.
 K7591-97200 (X900 only)
 Black Part No.
 K7591-97900
 X900, X1120

Replacement basic front guard;
 The basic front guard plays a crucial role in minimizing the need for expensive repairs and bodywork resulting from collisions.

STANDARD FRONT GUARD
 Gray Part No.
 K7591-97210 (X900 only)
 Black Part No.
 K7591-97910
 X900, X1120, X CREW

Replacement standard front guard;
 Engineered to protect the front of the RTV, this design addresses the heightened risk of damage encountered in challenging terrains or congested areas.

PREMIUM FRONT GUARD
 Gray Item No.
 K7421-97200
 Black Part No.
 K7421-97900
 X1120, X CAB, X CREW

Replacement premium front guard;
 The premium front guard provides the RTVs front end against potential damage from collisions, brush, and debris, which helps avoid expensive repairs.

TAIL LAMP GUARD KIT
 Part No. K7591-99660
 RTV-X, X900, X1120, X
 CAB, X1130, X CREW

Protect your tail light from damaging debris by installing this Tail Lamp Guard Kit;
 The Tail Lamp Guard Kit will help avoid expensive repairs.

CV JOINT GUARD
 Front Part No. K7591-99150
 Rear Part No. K7591-99160
 X900, X1120, X CAB, X
 CREW

Help protect your front CV Joint from rocks and stumps with this CV Joint Guard;
 Reduce potential damage to the rear CV Joint with this CV Joint Guard.

MUD GUARD
 Front Part No.
 K7591-99520
 Rear Part No.
 K7591-99510
 RTV-X, X900, X CAB,
 X1120, X1130, X CREW

Cut down on flying mud by installing this Mud Guard Kit;
 Decrease mud spatter off the rear wheels with this Mud Guard Kit.

2 CARGO CLAMPS
Part No. K7811-99560
*RTV-X (Standard Bed),
X900, X1120, X CAB, X
CREW*

Drill-less cargo bed clamp with interchangeable rubber inserts; The 2 Cargo Clamps are sold in a pair.

CARGO BED SEAL KIT
Part No. 77700-11096
*RTV-X, X900, X1100-C,
X1120, X CAB*

Perfectly sized plate fills the gap; Ideal for protection against debris falling the engine bay below the cargo bed; Not compatible with RTV-X and X CAB ProKonvert cargo bed.

RTV RUBBER CARGO BED MAT
Part No. 77700-V0830
X900, X CAB, X1120

Compression molded rubber with Kubota branding; Protects the cargo bed from scratches and scuff marks, and from objects sliding around; Not compatible with RTV-X and X CAB ProKonvert cargo bed.

PLASTIC BED LINER
Part No. K7591-99580
X900, X CAB, X1120

Prevent bed dents and dings with this high-quality plastic bed liner.

DELUXE RTV CARGO BOX

Part No. 77700-08760
RTV-X (Standard Bed), X900, X1120, X CAB, X CREW

RTV Bed Box, 4.5 cu. ft. locking storage designed by Kubota engineers; Easy lift covers gives access to both sides; Removable, sliding tool trays; Requires four KAS Clamps and one Mounting Bracket (ordered separately);

CARGO ACCESSORIES

STORAGE BOX
Part No. K7921-99560
X1130

Designed to mount underneath the cargo bed;
Includes 2 plastic lockable storage boxes (one for each side).

CARGO PANEL LIGHT
Part No. K7921-99570
X1130

Two 6" LED lights and a rubber debris guard;
Kit does not require any drilling.

CARGO WINCH
Part No. K7921-99580
X1130

Comes with a wireless winch controller;
The cargo winch has a 750lb maximum capacity.

EXTENDED TAILGATE
Part No. K7921-99590
X1130

Allows the tailgate to rest against the ground when the bed is fully raised;
Folds out of the way when not in use.

2 FRONT LED WORK LIGHT KIT

Part No. 77700-VC5050
RTV-X, X900, X1120, X1130, X CREW

Six high intensity LEDs on each light;
Illuminated, high quality rocker switch;
Sold in a pair (left & right);
Only compatible with the "VC" cab components;
Requires Wire Harness

REAR LED WORKLIGHT KIT

Part No. 77700-VC5051A
RTV-X, X900, X1120, X1130, X CREW

Six high intensity LEDs on each light;
Illuminated, high quality rocker switch;
Sold individually;
Only compatible with the "VC" cab components;
Requires a Wire Harness and one canopy or rear panel option.

DOME LIGHT

Part No. 77700-VC5053
RTV-X, X900, X1120, X1130, X CREW

Built-in on/off rocker switch;
Bright 1-watt LED light;
Adjustable 40-degree swivel and spin;
Convenient for pre-dawn or working late into the night;
Only compatible with the "VC" cab components;
Requires Wire Harness.

STROBE LIGHT

Part No. 77700-VC5056
Part No. 77700-VC5058 (X CAB only)
RTV-X, X900, X1120, X1130, X CREW

Amber beacon features 70 FPM pulse, 8 flash patterns;
Illuminated, high quality rocker switch;
Only compatible with the "VC" cab components;
Requires Wire Harness;
Mounting bracket is included.

4-WAY STROBE-TYPE FLASHERS

Part No. 77700-VC5057A
RTV-X, X900, X1120, X1130, X CREW

Black and weatherproof housing for indoor or outdoor use;
18 different flash patterns to choose from;
Only compatible with the "VC" cab components;
Requires Wire Harness.

SWITCH PANEL

Part No. 77700-10732
RTV-X, X900, X1120, X1130, X CREW

Centralized accessory switches into one convenient location;
Required for 13.5" LED Light Bar, 6" LED Worklights, Strobe Light or Rotating Beacon, Wiper Kit, and Washer Kit.

WIRE HARNESS - SINGLE

Part No. 77700-VC5081
RTV-X, X900, X1120, X1130, X CREW

For single electrical accessory or light;
In-line fuse for circuit protection;
Automotive relay included.

LIGHTS / ENGINE

HALOGEN FRONT WORK LIGHTS

Part No. K7591-99620
Part No. K7731-99620
(X CAB only)
X900, X1120

Kit includes 2 work lights;
For X CAB, the lights mount to the top with everything necessary for installation;
For X900 and X1120, lights mount to the ROPS or Plastic Canopy (K7591-99390) with everything necessary for installation.

HALOGEN REAR WORK LIGHTS

Part No. K7591-99630
Part No. K7731-99630
(X CAB only)
X900, X1120

Kit includes 1 work light;
For X CAB, the lights mount to the top with everything for installation;
For X900 and X1120, lights mount to the ROPS or Plastic Canopy (K7591-99390) with everything necessary for installation.

HAZARD LIGHT KIT

MODEL	PART NO.
X900, X1120, X1130	K7591-99610
X CAB	K7731-99610 K7741-99610
RTV-X, X CREW	K7121-99610

Add safety to your machine with the Hazard Light Kit;
The Hazard Light Kit includes two front hazard/indicator lamps and two rear combination hazard lights;
Fits a wide range of Kubota RTV machines.

STROBE LIGHT MOUNTING BRACKET

Part No. 77700-V4284
RTV-X, X CAB

Sturdy 10GA cold-rolled steel for secure mounting;
Durable UV-resistant powder paint for long lasting durability.

BLOCK HEATER

Part No. 77700-07942
(X900 only)
Part No. 70000-73595
RTV-X, X1120, X CAB, X1130, X CREW

Makes starting in cold climates less demanding on the engine;
Add a Block Heater in extreme cold temperatures to aid in the running of your machine.

EXTENDED OIL DIPSTICK

D902 Part No.
K7591-99810 (V5202)
D1105 Part No.
K7621-99810 (V5204A)
RTV-X, X900, X1120, X1130, X CREW

Check oil regularly and precisely without having to raise the dump bed;
The D902 Engine option (K7591-99810) works for only the X900.

LED WORK LIGHT KITS

Front Part No. 77700-11811
Rear Part No. 77700-11812
X CAB

Six high intensity LEDs and ideal for off-road driving only;
Measured lumen is 1,000 lm, and has a multivolt 10-30V DC;
Mounting: upright or flush;
Dimensions: 1.8"W x 6.3"H x 2.5"D
2.4"W x 7.7"H x 1.8"D (flush).

72" GENERAL DUTY FRONT BLADE

Part No. V5008*

RTV-X, X900, X CAB, X1120, X1130, X CREW

General purpose snow blade with 19" moldboard height and 12 gauge moldboard thickness;
64.5" plow width at 30° max angle;
Electric lift with manual angle adjustment;
Recommend optional Hydraulic Angle Kit to convert to hydraulic angle.

72" XTRA DUTY FRONT BLADE

Part No. V5060*

RTV-X, X900, X CAB, X1120, X1130, X CREW

Heavy duty snow blade with 23.5" moldboard height and 12 gauge moldboard thickness;
64.5" plow width at 30° max angle;
Self contained electro-hydraulics for lift and angle adjustment;

72" COMMERCIAL STRAIGHT BLADE

Part No. V5290*

RTV-X, X900, X CAB, X1120, X1130, X CREW

Commercial snow blade with 21.75" height and 10 gauge moldboard thickness and 62.4" plow width at 30° max angle;
Hydraulic lift with down pressure, float, and adjustable blade trip springs;
Recommend optional Markers;
Requires Front Quick Hitch, Electro-Hydraulic Valve Kit, or Auxiliary Hydraulic Pump.

72" V-PLOW BLADE

Part No. V5291*

RTV-X, X900, X CAB, X1120, X1130, X CREW

19 1/8" height at center, 20 1/2" at ends, and 3/8" thickness;
66" V position width and 59" scoop position width;
Hydraulic lift and angle adjustment with built-in relief valves to protect against impact and trip cutting edges;
Recommend optional Markers and Curb Guards;
Requires Front Quick Hitch, Electro-Hydraulic Valve Kit, Auxiliary Hydraulic Pump.

60" ROTARY BROOM

Part No. V5260*

RTV-X, X900, X CAB, X1120, X1130, X CREW

Rotary broom with 18" diameter poly brushes;
50 1/2" width at 25° max angle;
Reversible rotation and hydraulic lift and angle adjustment;
Recommend optional Markers;
Requires Front Quick Hitch, Electro-Hydraulic Valve Kit, Auxiliary Hydraulic Pump, Hydraulic Oil Cooler, and Hand Throttle Kit.

FRONT QUICK HITCH

Part No. V5289
 RTV-X, X900, X CAB,
 X1120, X1130

Required quick hitch system designed for 72" Commercial Straight Blade (V5290), 72" V-Plow Blade (V5291), and 60" Rotary Broom (V5260) for easy implement changes.

FRONT GUARD ADAPTER KIT

Part No. 77700-V5255
 RTV-X, X900, X CAB,
 X1120, X1130

Optional front guard adapter for Front Quick Hitch (V5289) to reinstall front guard when front quick hitch implements are put away for the season.

HYDRAULIC ANGLE KIT

Part No. V5007
 RTV-X, X900, X CAB, X1120,
 X1130, X CREW

Optional hydraulic angle kit to upgrade 72" General Duty Front Blade to hydraulic angle adjustment;
 Requires Auxiliary Hydraulic Pump and Auxiliary Hydraulic Valve: One Valve or Two Valve.

HYDRAULIC OIL COOLER

Part No. V5240
 RTV-X, X900, X CAB,
 X1120

Required for 60: Rotary Broom (V5260).

AUXILIARY HYDRAULIC PUMP

MODEL	PART NO.
X900	V5271
RTV-X, X CAB, X1120	V5272
X1130, X CREW	V5262

Required for Hydraulic Angle Kit (V5007), hydraulic powered implements, and aftermarket implements;
 V5271 is only compatible with a D902 engine;
 V5272 and V5262 are only compatible with the D1105 engine.

AUXILIARY HYDRAULIC PUMP

MODEL	PART NO.
RTV-X, X900, X CAB, X1120	V5273
X1130, X CREW	V5263
RTV-X, X900, X CAB, X1120	V5274

Required for Hydraulic Angle Kit (V5007) and aftermarket implements;
 V5273 is a one valve kit;
 V5263 is a two valve kit;
 V5274 is a one valve kit.

TWO FUNCTION ELECTRO-HYDRAULIC VALVE KIT

Part No. V5232A
 RTV-X, X900, X CAB,
 X1120

Required for 72" Commercial Straight Blade (V5290), 72" V-Plow Blade (V5291), and 60" Rotary Broom (V5260).

THREE FUNCTION ELECTRO-HYDRAULIC VALVE KIT

Part No. V5233
 RTV-X, X900, X CAB,
 X1120

Required for 72" Commercial Straight Blade (V5290), 72" V-Plow Blade (V5291), and 60" Rotary Broom (V5260).

HAND THROTTLE KIT

Part No. V5245
 RTV-X, X900, X1120,
 X1130, X CREW

Required for 60" Rotary Broom (V5260).

MARKERS

Part No. V5250
 X900, X1120, X CAB

Optional markers to increase visibility for 72" Commercial Straight Blade (V5290), 72" V-Plow Blade (V5291), or 60" Rotary Broom (V5260).

HYDRAULIC COUPLER OUTLET

Part No. V5276
 RTV-X, X900, X CAB,
 X1120, X1130, X CREW

Stationary applications only, optional coupler to power aftermarket implements;
 Cannot be used to power hydraulic motor applications.

CURB GUARDS FOR V-BLADE

Part No. V5256
 X900, X CAB, X1120

Optional curb guards to protect the corners of 72" V-Plow Blade (V5291) from incidental curb damage.

78" STRAIGHT BLADE

Part No. V5294A

RTV-X, X CAB, X1120, X1130, X CREW

- 78" wide K-connect snow;
- 68" plow width at 30° max angle;
- Hydraulic lift with down pressure and float;
- Hydraulic angle adjustment with two spring trip protection;
- New curvature allows for rolling of snow and includes markers and skid shoes standard;
- Requires 4 Point K-Connect and Front Heavy Duty Strut Kit or Front Heavy Duty Spring Kit (not required for X CAB, X CREW, or X1130);
- Compatible with PTO Drive K-Connect.

78" V-BLADE

Part No. V5295A

RTV-X, X CAB, X1120, X1130, X CREW

- 78" wide K-connect V-blade (straight) with moldboard height 20" at center, 25 3/4" at ends;
- 69 1/2" V position width and 66" scoop position width;
- Hydraulic lift with down pressure and float;
- Hydraulic angle adjustment with built-in relief valves to protect against impact;
- New curvature allows for rolling of snow and includes markers and skid shoes standard;
- Requires 4 Point K-Connect and Front Heavy Duty Strut Kit or Front Heavy Duty Spring Kit (not required on X CAB, X1130, or X CREW).

4 POINT K-CONNECT

Part No. V5293B

RTV-X, X CAB, X1120, X1130, X CREW

4 point quick hitch system with a power unit to provide an independent 3 function hydraulic system;
Used to quick attached 78" Straight Blade (V5294A) or 78" V-Blade (V5295A).

4 POINT UPGRADE KIT

Part No. V5298

RTV-X, X CAB, X1120, X1130, X CREW

Add a brush bar and 2 rectangular LED worklights to the 4 Point K-Connect (V5293);
Requires 4 Point K-Connect (V5293).

FRONT GUARD ADAPTER KIT

Part No. 77700-V5278

RTV-X, X CAB, X1120, X1130, X CREW

Optional front guard adapter for 4 Point K-Connect (V5293) to reinstall front guard when front K-Connect implements are put away for the season.

RUBBER CUTTING EDGE

Part No. V5287

RTV-X, X CAB, X1120, X1130, X CREW

Optional rubber cutting edge for 78" Straight Blade (V5294A).

PLASTIC CUTTING EDGE

Part No. V5288

RTV-X, X CAB, X1120, X1130, X CREW

Optional plastic cutting edge for 78" Straight Blade (V5294A).

PLASTIC CUTTING EDGE

Part No. V5284

RTV-X, X CAB, X1120, X1130, X CREW

Optional plastic cutting edge for 78" V-Blade (V5295A).

CURB GUARDS

Part No. V5281

RTV-X, X CAB, X1120, X1130, X CREW

Optional curb guards to protect the corners of 78" Straight Blade (V5294A) and 78" V-Blade (V5295A) from incidental curb damage.

SKID SHOES

Part No. V5285

RTV-X, X CAB, X1120, X1130, X CREW

Replacement skid shoes for 78" Straight Blade (V5294A) and 78" V-Blade (V5295A).

66" ROTARY BROOM

Part No. V5266
RTV-X, X CAB, X1120

66" wide PTO driven rotary broom with 24" diameter poly brushes;
59 1/2" width at 25° max angle;
Hydraulic lift and angle adjustment with 8 1/2° oscillation;
Floating wheels and markers standard;
Requires 4 Point K-Connect, PTO Drive K-Connect, and Front Heavy Duty Strut Kit or Front Heavy Duty Spring Kit.

66" COMMERCIAL SNOWBLOWER

Part No. V5296
RTV-X, X CAB, X1120

66" wide PTO driven 2-stage commercial snowblower with hydraulic chute rotation and deflection;
16" fan with 4 blades;
Skid shoes and drift cutters are standard;
Requires 4 Point K-Connect, PTO Drive K-Connect, and Front Heavy Duty Strut Kit or Front Heavy Duty Spring Kit.

DEBRIS BLOWER

Part No. V5279
RTV-X, X CAB, X1120

Generates over 214 mph of velocity, with 225° of hydraulically driven nozzle rotation with a standard parking stand included;
Estimated 30-minute installation time, so you can swap out snow removal implements and prepare for warmer weather;
Requires 4 Point Hitch, PTO Kit, and Hand Throttle Kit;
NOT compatible with 4 Point Hitch and PTO Kit.

PTO DRIVE K-CONNECT

Part No. V5299B
RTV-X, X CAB, X1120

Used in conjunction with 4 Point K-Connect to operate 66" Rotary Broom or 66" Commercial Snowblower;
For RTV-X1120, requires Water Pump Pulley (16241-74250) and Engine Fan Belt (1E270-97010);
Requires 4 Point K-Connect (V5293).

50/50 POLY & STEEL BRUSH KIT

Part No. V5269
RTV-X, X CAB, X1120

Optional 24" diameter 50/50 poly and steel brush kit for 66" Rotary Broom (V5266).

PLASTIC CUTTING EDGE WITH SKID SHOES

Part No. V5297
RTV-X, X CAB, X1120

Optional plastic cutting edge and skid shoes for 66" Commercial Snowblower (V5296).

SPRAYERS

60 GALLON RTV SPOT SPRAYER

Part No. 77700-12145

RTV-X, X CAB

- 60 PSI gauge and 5.0 GPM demand pump with RTV clamps;
- Polyethylene tank and 25' hose with spray gun;
- Pistol grip handgun sprays up to 25' vertical and 35' horizontal;
- 5" fill lid with tether and 8' wiring harness with battery clips;
- Add a Boom for additional coverage.

40 GAL RTV SPRAYER WITH HITCH MOUNT BOOM

Part No. 77700-08964

RTV-X, X CAB

- 3 nozzle boomless spray pattern has 140" (11.6') coverage;
- Chemically resistant polyethylene tank;
- 2.2 GPM pump and 60 PSI gauge;
- Deluxe 18" sprayer wand and adjustable relief valve.

25 GALLON SPRAYER

Part No. 77700-08963

RTV-X, X CAB

- 3 nozzle boomless spray pattern has 140" (11.6') coverage;
- Chemically resistant polyethylene tank;
- 2.2 GPM pump and 60 PSI gauge;
- Deluxe 18" sprayer wand and adjustable relief valve.

SPRAYER BOOM

Part No. 77700-09601

RTV-X, X CAB

- Sprayer boom for Kubota 40 gallon sprayer;
- Compatible with many other sprayers.

RTV BED MOUNTED SPRAYER

Part No. V5292A

RTV-X, X CAB

- 68-gallon tank capacity and 3.3 GPM;
- Two 0.3 GPM nozzles with spray wand and nozzle bracket;
- Water ON/OFF valve;
- Works with Broom Dust Suppression Kit and Rear Boom Sprayer Kit

REAR BOOM SPRAYER KIT

Part No. V4494A

RTV-X, X CAB

- Optional boom sprayer nozzle for use with RTV Bed Mounted Sprayer;
- Boom pivot to mount nozzles;
- Three-way valve;
- Three nozzles;
- 15' spray width.

ROCK SALT SPREADER

Part No. V5002-A
RTV-X, X900, X CAB

Ideal for winter applications with 3 cubic feet capacity (240 lbs) and spreading width up to 25 ft;
59 1/2" width at 25° max angle;
Electric powered motor and transmission controlled by a variable speed weatherproof controller;
Heavy duty poly hopper construction;
Top screen and fitted cover included.

TAILGATE SPREADER

Part No. V5003-A
RTV-X, X900, X CAB, X1120

Ideal for year round use with 3 cubic feet capacity (240 lbs) and spreading width up to 20 ft;
Easy-to-calibrate for various materials (e.g. seed, fertilizer, bagged ice melt, and more);
Electric powered motor and transmission controlled by a variable speed weatherproof controller;
Heavy duty poly hopper construction;
Top screen and fitted cover included.

CARGO BOX SPREADER

Part No. V5005
RTV-X, X900, X CAB, X1120

- | 11 cubic feet capacity (800 lbs) and spreading width up to 30 ft;
- | Electric powered motor and transmission with a dual controller for independent material and spread width control;
- | Heavy duty poly hopper construction;
- | Top screen, fitted cover, and heavy duty vibrator included.

FLOW CONTROL TUBE

Part No. V4407
RTV-X, X900, X CAB, X1120

- | Optional stainless adjustable flow regulator helps prevent leaking issues when handling fine pellet and flake materials;
- | Requires Cargo Box Spreader (V5005).

36" DROP SPREADER

Part No. V5004
RTV-X, X900, X CAB, X1120

- | Ideal for precise snow and ice management applications;
- | 6 cubic foot (480 lb) material capacity and 36" drop pattern;
- | Electric powered motor and vibrator with cab mounted digital, variable speed controller;
- | Features a gateless design to help improve material efficiency and reduce turf damage;
- | Heavy duty poly hopper construction;
- | Top Screen and Molded Hopper Cover included.

HDWS TIRE & WHEEL ASSEMBLY

Part No. K7591-19312

X900, X CAB, X1120, X CREW

Includes 1 OEM tire and steel wheel;
25×10-12 6 ply tire;
HDWS tread design are non-directional.

ATV TIRE & WHEEL ASSEMBLY

Left Part No. K7591-19112

Right Part No. K7591-19162

X900, X CAB, X1120, X CREW

Includes 1 OEM tire and steel wheel;
25×10-12 6 ply tire;
ATV tread design are directional (left or right).

TURF TIRE & WHEEL ASSEMBLY

Part No. K7591-19613

X900, X CAB, X1120

Includes 1 OEM tire and steel wheel;
25×12-12 6 ply tire;
TURF tread design are non-directional.

BLACK TIRE & ALLOY WHEEL ASSEMBLY

ATV Left Part No. K7591-99850

ATV Right Part No. K7591-99860

HDWS Part No. K7591-99800

X900, X CAB, X1120, X CREW

Includes 1 OEM tire and alloy wheel;
25×10-12 6-ply tire;
ATV tread design are directional (left or right);
HDWS tread design are non-directional;
Requires Alloy Wheel Hardware Kit (black - K7591-99140).

SILVER TIRE & ALLOY WHEEL ASSEMBLY

ATV Left Part No. K7591-99830

ATV Right Part No. K7591-99840

HDWS Part No. K7591-99790

X900, X CAB, X1120, X CREW

Includes 1 OEM tire and alloy wheel;
25×10-12 6-ply tire;
ATV tread design are directional (left or right);
HDWS tread design are non-directional;
Requires Alloy Wheel Hardware Kit (silver - K7591-99170).

HDMP TIRE ASSEMBLY

Alloy Part No. K7121-19820

Steel Part No. K7121-19300

RTV-X, X CAB, X CREW

More aggressive tread design for off-road applications;
Designed for longer-lasting wear, especially for paved road conditions.

RTV ACCESSORIES

CARGO NET
Part No. 77700-08978

Heavy duty adjustable plastic hooks prevent scratching;
34" x 34" — stretches to 60" x 60";
Finger holes in hooks for safety and easy hook up;
Weather resistant;
Fits most UTV/RTV Bed Boxes.

RTV TOW STRAP
Part No. 77700-08977

1-1/4" X 12' tow strap with loops and shackle;
5,000 lbs. break strength;
Forged shackle;
Reinforced attachment loops.

FIRE EXTINGUISHER MOUNT
Part No. 77700-10709

Adjustable clamps secure most fire extinguishers up to 3.5";
Universal design mounts to round tube up to 2.25";
Patented low-profile mounting;
Fire extinguisher not included.

WORK GEAR BAG
Part No. 77700-10694

Made from heavy duty ballistic nylon;
Includes strap kit to attach to your RopsRackPack® and buckles for attaching to your Ultimate Rack;
Gear Bag is 18" x 4" x 11".

SHOCKSTRAP® LOAD-ABSORBING RATCHET STRAPS
9' Part No. 77700-10680
18' Part No. 77700-10681

Superior shock absorption keeps tension on the strap;
Backup Safety Strap included;
Chemical and moisture resistant;
Rust-resistant hooks and buckle;
Flexible soft loop.

ELITE SERIES UTV PHONE MOUNT
Part No. 77700-13835

Easily switch between portrait and landscape modes;
Crafted from high-quality nylon;
Features a secure, over-molded grip for comfortable handling and dependable attachment.

N

PORTABLE BLUETOOTH SPEAKER & MOUNTING CLAMPS
Part No. 77700-12846

20W portable speaker with 57mm driver;
Built-in equalizer for mode adjustment and built-in microphone;
Impact-proof & water-resistant ABS body with rubber coating & IPX6 rating;
Nylon composite clamps, fast and easy attachment/removal;
Clamps fit roll bars 1.625" to 2" diameter.

KUBOTA SERVICES: SUPPORT THAT WORKS AS HARD AS YOU DO

At Kubota, we know that owning equipment is just the beginning—keeping it running at peak performance is what truly matters. That's why we offer a full suite of services designed to protect your investment, simplify ownership, and keep you productive for years to come.

KUBOTA GENUINE PARTS

KEEP YOUR EQUIPMENT RUNNING LIKE NEW

Kubota Genuine Parts are engineered to original factory specifications, helping to ensure your equipment performs at its best. Available through our nationwide Dealer network and supported by four strategically located US warehouses, you'll have quick access to the parts and manuals you need.

BENEFITS:

- > Guaranteed fit and performance
- > Maintains reliability and longevity
- > Backed by Kubota's trusted Dealer network

Kubota Tractor Corporation reserves the right to change the stated specifications without notice. This brochure is for descriptive purposes only and reasonable efforts were used to set forth the contained information; some items shown may be optional and some products shown may not be available at all dealerships. Kubota disclaims all representations and warranties, express or implied, or any liability from the use of this brochure. For complete warranty, safety, and product information, consult your local Kubota Dealer and the operator's manual. Power (HP/KW) and other specifications are based on various standards or recommended practices. For your safety, Kubota strongly recommends the use of a Rollover Protective Structure (ROPS) and seat belt in almost all applications. This brochure is intended for the United States and US territories only. For information regarding Kubota products or services outside these areas, see Kubota Corporation's global website. Kubota does not provide parts, warranty, or service for any Product which is re-sold or retailed in any country other than the country for which the Product(s) were designed or manufactured.
